HOSPITALS, SANATORIUMS, STATE AND CHARITABLE INSTITUTIONS OF THE UNITED STATES AND CANADA

This book lists and describes the hospitals, sanatoriums, state and charitable institutions of each state and dependencies of the United States and Canada. The arrangement is geographic, i. e., by states and cities.

The aim is to give the following information on each institution:

Name	Control or ownership
Address	Name of medical director,
Year Established	superintendent or person
Character of patients treated	in charge
Number of beds	

I N D E X
